

# EARLHAM

Friday 6<sup>th</sup> January 2017  
Newsletter No 15

admin@earlham.haringey.sch.uk

Welcome to 2017 at Earlham Primary and wishing you all a happy, healthy and successful year.

The children have come back with eagerness to learn and succeed and our dedicated staff spent an inset day before term started to increase their professional development and accreditation.

This term we have increased our daily reading class sessions to 45 minutes daily and we have organised high - quality focused staff training sessions so that staff have the support and resources to deliver the strongest teaching and learning throughout the school.

**NSPCC** We continue as always to keep a focus on safety and this term we will have workshops delivered by the NSPCC to give children the confidence to keep themselves safe and make the best choices.

Assembly this week focused on British values which help us live together harmoniously and celebrate the potential of each individual. We all have the freedom to choose how we live our lives and what we believe (Liberty) but we cannot harm or hurt anybody as we have rules that protect each of us living side by side (Law); when we have to make choices that will affect us all, we choose in a fair way by going with the majority (Democracy) and we respect everyone even when they are different to us or disagree with us (Respect). There is so much for children to learn as they grow and we are proud of the way the Earlham children learn together.

The wonderful new Parent Teacher Association has been very active last term and the next activity is already planned - see the details in this newsletter.

We have included a 'tips for learning multiplication tables' sheet with the newsletter to support you in carrying on the learning at home beyond the classroom so that every Earlham child succeeds.

Best wishes for 2017.

Mr Kerbel

Dear Parents/Carers

Earlham PTA are planning **our International Food Event**, which will take place on **Thursday 12th January 2017**. This will consist of an afternoon of fun for everyone and there will be talent shows and performances by children as well as lots of delicious food from around the world! We had a very successful event last year and we hope you will help to make this one a success too! So please come along and join in the fun.

We are hoping to have food from all different countries and cultures in this event and therefore would like to request if you were able to please help us and kindly let us know by reply if you can cook a dish (anything from snacks to desserts) from your country for the event. **Please kindly make sure the dishes are compliant with halal requirements (not containing any pork) and are nut free.**

Our children have requested for playground equipment through the school council and therefore all monies raised at the event will be used to buy equipment for the KS2 playground.

If you have any comments, questions, suggestions or anything else you would like to pass to the PTA either catch us in the playgrounds or please leave a message in the school office or email us at [admin@earlham.haringey.sch.uk](mailto:admin@earlham.haringey.sch.uk)
