Newsletter No 22

Dear Earlham Community

We have had an enjoyable and inspiring week with trips (To the Royal Institute of British Architecture), tournaments (inter-school basketball) and dressing up for World Book Day. We have an author, Anthony Lishak, visiting on Monday - don't miss it!

Alongside this I have been working on the school finances to be ready for the new financial year and pupil data to ensure that we are deploying our staff in the most effective way.

As Parents and Carers, you can help by:

- 1) Getting your child to school on time EVERY DAY. We need attendance to be strong to get strong results for our children.**
- 2) Making sure that you have paid for your child's school lunches. We are spending too much time chasing up payment and we are in a difficult financial time. We cannot afford to lose any money owed.**
- 3) Reading with your child every day even if it is only for 5 minutes. Every Earlham pupil, from Year 1 upwards, has a current reader with them. Discuss the book with your child as you read.**

The Parent Teacher Association meets today. They have already achieved much in the short time that they have been operating. We hope to have an updated display from the PTA, in the near future.

I have been updating photographs on our foyer television and lots of Parents and Carers enjoyed the World Book Day photos yesterday afternoon. We also have a new display with staff photographs so that you can see who the staff are.

Parent/Carer evening meetings are rapidly approaching so please prepare for those. Letters will be sent out soon

Let us build the future through our Earlham pupils right now
