

**Year 6**  
Curriculum Coverage

**Amber/ Coral**

*Migration*

**Maths**

This term we will be focusing on place value, the four operations and word problems. The children will need to know the value of numbers in the millions, the four operations (+-x÷) and apply their knowledge to word problems. Children should be revising their times tables at home **EVERY DAY**.

**English/ Reading**

This term we will be looking at biographies and autobiographies. This will link in with cross curricular subjects such as History. We will also look at SPAG and focus on assessing/ editing work.

Children should be reading for at least 15 minutes **EVERY DAY** with an adult.

**Computing**

We will be following a brand new Computing programme called 'Coding' in which the children will be learning to understand and use algorithms. There will also be a focus on Mathematics.

**Science**

We will be learning about living things and their habitats where we will be classifying animals and plants based on their characteristics.

**Homework**

Homework will be given out on Thursdays and it will consist of reinforcement activities regarding English and Maths. The homework can be found on the new Earlham App.

**Geography/ History**

We will be learning about migration. This will include the reasons for migration and its impact.

**RE**

We will be learning the importance of what it means to belong to a religion. We will also be looking at Islam during the month of Ramadan.

**PSHE/ Philosophy**

We will be looking at friendships and feelings this term. We will focus on conflict resolution as well as how to be a good friend. Furthermore, we will focus on the best way to manage feelings.

**PE**

**Amber** - Mondays and Fridays  
**Coral** - Thursdays and Fridays  
Please remember to bring your full kit.

**Black History Month**

In the month of October, we will be looking at a variety of different influential figures. We will be researching different people and writing biographies about them.

**Calling all parents!**

How can you help? If you have any experiences or skills that link with our topics, please come and speak to us.

**Art/ D/T**

We will be using a variety of different art equipment to create 3D migration ships.
