

Year 5
Curriculum Coverage

Amethyst/Sapphire

Maths

This term we will be focusing on place value, addition, subtraction, multiplication and division. The children will need to know the value of numbers in the thousands and how to complete addition, multiplication, division and subtraction problems correctly with 4 digit numbers.

English/ Reading

This term we are looking at different types of narrative, instructions and note-taking. We will be learning to infer, predict, picture and summarise certain parts and this will be practiced in Guided Reading too.

Children should be reading for at least 5 minutes **EVERY DAY**.

Computing

We will be using Espresso Coding to learn how to code.

Science

We will be learning about materials where we will be classifying types of materials based on their properties.

Homework

Homework will be given out on Thursdays and it will consist of reinforcement activities regarding English and Maths. The homework can be found on the new Earlham App.

Geography/ History

We will be comparing and contrasting the physical and human geography of the UK, Mexico and France.

RE

This term, we will focus on Judaism. We have a trip to a synagogue (Jewish place of worship) this term too.

PSHE/ Philosophy

We will be looking at bullying. We will be learning about different types of bullying and developing the knowledge, understanding and skills in how to deal with bullying.

PE

Amethyst – Monday and Thursday
Sapphire - Thursdays and Fridays
Please remember to bring your full kit.

Calling all parents!

How can you help? If you have any experiences or skills that link with our topics, please come and speak to us.

Art/ D/T

We will be exploring bridges and creating our own.
