Dear Earlham Community

I have been away this week completing an extended 3 day First-Aid course which will also be completed by 3 other Leadership Team members. All Staff have completed the 1 day First Aid at work course as well.

We are reviewing all our welfare and First Aid systems and the extended training is part of that.

The aim is for all staff to feel continuously confident that we can deal with emergencies that arise and the day to day scrapes and aches that will occur in any school and for pupils to feel safe and secure.

Our aspiration is for our Earlham community which includes Staff, Pupils, Parents/Carers, Governor, Volunteers and Visitors, to be a caring place where we support each other to do our best and build our futures.

Wishing you all a good weekend (with Mathletics, Literacy Planet and Reading!)

Mr Kerbel
