Dear Earlham Community

As I have said previously, we are always looking for tournaments for children to participate in. The feedback from the children is that they really value these opportunities. It takes significant commitment from staff to ensure these extra-curricular opportunities including the risk assessment, checking the first aid needs of the children participating and accompanying the children in their own time as the tournaments usually end after school finishing time.

Our sports providers (funded by the Sports Premium grant) Challenge Sport Education are doing a great job of coaching and selecting the children and booking us on the tournaments. Coach Alfred has made a positive impact since coming into our school since September along with his colleague coaches. The after-school clubs are now doing very well and Gymnastics has gained huge popularity.

Thank you to Ms Ellis, Ms Liou, Ms Wess, Ms Kluk and Mr Ajentunmobi for all their help with tournaments this week. Here is Joelline's comments about one of the recent tournaments.

Mr Kerbel

Yesterday was the athletics tournament. It was great. There were many different activities like speed bounce, standing triple jump and running. My favourite was running because we got to run in pairs. The best thing was being there with my friends. Even though a few of us hurt ourselves we kept on going. It was time for the scores. We came fourth and that was good enough for us. I can't wait for another athletics tournament.

By Joelline Amber Class

Open Door for Parents

Parents are invited to come into your child's class and see their books. Please line up with your child in the playground and the teacher will escort you in. The timetable below shows dates and times of your child's class.
