

Year 6
Curriculum Coverage

Amber/ Coral

Ancient Greece

Maths

This term we will continue to work on measure, with a particular focus on angles. We will also be working on identifying, classifying and comparing the properties of shapes.

Children should be revising their times tables at home **EVERY DAY**.

English/ Reading

This term we will be reading texts of different genres, beginning with 'thrillers', and working on incorporating features of the genres into our writing. We will also look at SPAG and focus on assessing and editing work.

Children should be reading for at least 15 minutes **EVERY DAY** with an adult.

Computing

We will be working on extending our knowledge and understanding of coding. There will also be a focus on 'Literacy Planet' activities and 'Mathletics'.

Science

We will be learning about 'Forces'. We will be identifying how forces act on different objects and planning and carrying out investigations.

Homework

Homework will be given out on Thursdays and it will consist of reinforcement activities regarding English and Maths. English homework will now be assigned through 'Literacy Planet' and Maths will be reinforced through 'Mathletics'.

Geography/ History

We will be learning Ancient Greece. We will learn about its colonies, gods, landmarks and create timelines of historical events and Ancient Greek figures.

RE

We will be learning about Hinduism with a focus on rituals and symbols related to the stages of life.

PSHE/ Philosophy

Our PSHE topic is 'Good to be me'. Children will be learning to share their opinions on things that matter to them and explain their views.

PE

Amber - Wednesdays
Coral - Mondays
Please remember to bring your full kit.

Calling all parents!

How can you help? If you have any experiences or skills that link with our topics, please come and speak to us.

Art/ D/T

We will be completing art activities linked to our topic of Ancient Greece.
