Dear Earlham Community

In this newsletter, I would like to address our Earlham Year 6 2018 Pupils. They are about to sit their National SATs tests and I am very proud of their focus and attitude which is so important as they begin the journey towards graduating from Primary School.

Dear Earlham Year 6 2018 Pupils

Next week you will have an opportunity to do your very best and take another step forward as you build your futures. You will be joining children of your age all around the country as they sit their National SATs tests. This is an exciting but also nerve-racking time and it can be a little stressful. You might be feeling a little nervous and maybe even a bit worried. I know that your teachers and educators have been working very hard to keep you calm and focused and to help you have every opportunity to do your best. You might have come to our booster sessions or our holiday school or even our Saturday school. You might have been revising or using Mathletics and Literacy Planet which our school provide access to. **The main thing to know is that we are really proud of you.** We have watched you mature and start to take on more responsibility for your choices and for your futures. You have your whole lives ahead of you and **we dream of happiness, success and positivity for you** as you move forward towards secondary school. **All we want is for you to do your best and to embrace each challenge with positive energy and make positive, good choices that help you build your futures.**

When you sit down to do the test see it as a blessing and opportunity because **even the mistakes you make will help you learn and make progress.** Try your hardest to use the time given to **check your work** so that you can pick up any corrections that you want to make before the test is over. We have done a lot of work on drafting, editing and improving our work and that is what you are doing when you check your work before the test is over. **Every experience is an opportunity to learn and improve** just remember to reflect and make the choice to always keep learning and improving.

The sun has been shining, the weather has been wonderful, Earlham School is always aiming, believing and achieving and we, the Earlham Staff, believe in you!

Our best wishes for all of you and we look forward to seeing you all on Monday. Remember that all Year 6 pupils are invited to Breakfast Club (free for Year 6 for the week of SATs)

Mr Kerbel

Class Attendance for week ending 04/05/18

Lapis Lazuli	Rose Quartz	Ruby	Moonstone	Jade	Emerald	Pearl	Opal	Amethyst	Sapphire	Amber	Coral
95.3%	 97.6%	94.1%	93.6%	94.5%	87.6%	88%	97.2%	96%	93%	 97.7%	97.3%

Attendance

It is an established fact that children who attend school regularly, have better opportunities to make academic progress, good friendships and feel safe at school. Attendance is crucial for your child's well-being. Please make every effort to get your child to school on time every day. Please note that if your child is absent from school due to sickness, medical evidence must be provided. **Every effort should be made to make appointments out of school time unless that is really not possible.**

Very Important Message Holidays/Special Leave

Please remember we are unable to authorise any requests for holidays or special leave during term time. If you take your child out of school during term time there is a possibility that you will be fined and that you may lose your child's school place at Earlham.

Tissues

We are promoting good hygiene practices in school. Because of this children are using more tissues throughout the day. Please could we ask parents to donate a box of tissues to continue the good work that we are doing with the children. Your donation may be left at the school office. Thank you in advance.

Equipment

Please ensure that your child has everything they need for their day at school. Forgotten items such as packed lunch, PE kit, and musical instruments causes disruption to lessons and the school office.

Earlham Primary Term Dates

Summer 1	Monday 16 April 2018	Friday 25 May 2018
<i>Holiday</i>	<i>Monday 28 May 2018</i>	<i>Friday 1 June 2018</i>
