Dear Earlham Community

## Y6 SATs

Well done to everybody at Earlham for a successful week of Key Stage 2 SATs. Every child in Year 6 was present so that positively impacts on our attendance as well as being essential for the tests. The children were very well prepared by our whole team led by Miss Joachin the Upper Key Stage 2 Phase Leader and Coral teacher and Miss Redman, the Amber teacher. The team also consisted of

Mr Chatterton who worked very hard with his group and Miss Debbie and Ms Ansah who led their focus groups with all the children learning and putting in effort to make progress. The children had such positive attitudes and coped very well with the pressure of the tests. In fact all of the school wished the Year 6 's well and did their best to stay quiet around the hall and in the corridors.

Thank you to the teachers for the April holiday school and to Exceed tuition who offer tutoring in our school on a Wednesday afternoon (details from the office).

I am most proud of the positive attitude displayed by all and I look forward to the Year 6 children on building their futures with this positive attitude and positive effort. The next step for Year 6 is to focus on character building and transition so that they learn well over the next half-term to get ready for secondary school. We look forward to their upcoming Earlham graduation.

In the end of year reports, we will provide the SATs results with comments for Parents and Carers to understand how the children have done and help them with their transition to Secondary School.

We are looking forward to the PTA cake sale next Friday and I hope that everybody grows our attendance figure with an excellent week of attendance, learning and sunshine next week at Earlham.

Mr Kerbel

### Attendance

It is an established fact that children who attend school regularly, have better opportunities to make academic progress, good friendships and feel safe at school. Attendance is crucial for your child's well-being. Please make every effort to get your child to school on time every day. Please note that if your child is absent from school due to sickness, medical evidence must be provided. **Every effort should be made to make appointments out of school time unless that is really not possible.**

### Very Important Message Holidays/Special Leave

Please remember we are unable to authorise any requests for holidays or special leave during term time. If you take your child out of school during term time there is a possibility that you will be fined and that you may lose your child's school place at Earlham.
