Dear Earlham Community

We hope you are all enjoying the hot weather but as always we need to work together to keep everybody safe so please do send your children with water and remind them to play sensibly during the hot weather.

We are very busy preparing reports for each child which we look forward to sending to you soon and we have an exciting few weeks coming up with our Year 6 Shakespeare Macbeth production; sports days and end of year parties.

Sadly we will be saying good bye to our Deputy Headteacher Ms Moustafa who will be leaving at the end of this academic year. She has been a caring, dedicated Earlham leader who helped secure the Good Ofsted judgement and leaves our school in a good, strong place. She cares for the children and has helped so many children amongst the many other initiatives she started and set up at Earlham. We wish her well for the future and hope that you will all have a chance to say goodbye before the end of the year.

Ms Rezai, our new Headteacher from September has been visiting the school and one of the first exciting initiatives in September will be to plan the rebuild of the building which we will be telling you more about very soon.

Best wishes
Mr Kerbel

Message for Year 2 Parents

School Dinners

Please be reminded that school dinners are payable in Year 3. The cost of a school meal is £2.40 per day (£12.00 per week). If you wish your child to have a school meal next year dinner money should be paid to the school office every Monday in an envelope clearly marked with your child's name, class and amount. If you are eligible for free school meals please collect an application form from the school office.

Hot Weather

The weather has been extremely hot this week. It is very important that children bring a hat into school every day. Please could we ask that all children wear sun cream to school which is applied before they arrive in the morning as this offers protection at playtime and lunchtime. Children may also bring a bottle of water to school to drink throughout the day. In the interests of Health and Safety children must not wear open toed footwear.
