Dear Parents/Carers,

Re: Closure of the main gate on Earlham Grove

Please be advised that for safety reasons, the main gate on Earlham Grove will be closed until further notice as essential repair works need to be carried out. In the meantime, please enter and leave the school via the Woodside park gate or the pedestrian gate on Newnham Road.

For your own safety, please ensure that you walk along the pathway rather than across the driveway as the carpark is in constant use.

Many thanks in advance for your support for your cooperation.

Yours sincerely,

N Rezai
