Dear Parents / Carers,

**Re: Non-uniform day - Friday 5<sup>th</sup> October 2018**

As I'm sure you are aware, last week, a deadly earthquake struck Indonesia and triggered a tsunami.

Hundreds of people have already lost their lives and thousands of families are in desperate need of food, water, shelter and medical treatment. This terrible disaster is yet another blow to the people of Indonesia who are still recovering from large earthquake which shook the county in August.

We will be holding a non-uniform day this Friday to raise money to support the Indonesian families who have lost everything.

The children will be asked to make a £1 donation but donations of any higher amounts will also be very gratefully received.

If every child and member of staff makes a contribution of at least £1, we could raise more than £400 in one day!

Many thanks in advance for your support.

Yours sincerely,

*N Rezai*
