Dear Parents, Carers and Staff,

I am writing to express my deep thanks from myself and on behalf of all the Governing Body for all the work you have done this term to ensure that pupils have continued to be provided with home learning support that has been coupled with encouragement and most importantly, care.

I would like to thank you for your patience and the trust you have shown in supporting the School through these difficult times and to also thank you for the trust you have given the School when there have been so many difficult decisions to make, often with uncertainty and sometimes, loss.

Finally, I want to say a huge thank you to our Headteacher, Ms Rezai, and the staff who have supported her in making the last few months as productive and successful as possible. This is where I feel the school has not only stepped up to the challenge of managing learning during a pandemic but exceeded it.

Meanwhile, whilst schools have been closed, our wonderful new school has continued to develop next door. I, like you all, am extremely excited to be moving into our stunning new school building which will provide amazing opportunities for everyone at Earlham.

These events have shown the true strength of the Earlham community of which I am proud to be a member.

It leaves me to say have a good summer and let's hope the sun shines!

I looking forward to seeing you all in September.

Yours sincerely,

Heather De Silva
Chair of Governors
