

Wednesday 16<sup>th</sup> September 2020

Dear Parents and Carers,

**Earlham Primary School** will be taking part in this year's **Jeans for Genes Day on Friday 18<sup>th</sup> September 2020.**

1 in 25 children has a genetic disorder that makes their life very difficult. That's one in every class. Simply by wearing our jeans and donating, we will change the lives of these children.

All children and staff are invited to wear their jeans on **Friday**. We'd like everyone to take part so please encourage your child to come into school on the day wearing their jeans and with a £1 donation. If your child wishes to wear their jeans they will not need to wear their school uniform or usual school shoes.

If you would like to donate to this important cause please follow the link to donate online direct to the charity **[jeansforgenesday.org/donateonline](https://jeansforgenesday.org/donateonline)** Please choose option 'Jeans for Genes Day Fundraising Money' adding supporter number **183988**. Alternatively there will be collection buckets at the school gates if you would prefer to make a cash donation.

Jeans for Genes Day have a series of powerful films to explain how your child's donation will make a difference. Each film provides a compelling and personal insight, introducing some amazing children living with genetic disorders, sharing first-hand what life is like with their condition. Please visit **[jeansforgenes.org/schools](https://jeansforgenes.org/schools)** for more information and to view these films.

If you'd like to find out more about how our support will help, please visit their website at **[jeansforgenes.org](https://jeansforgenes.org)**

Yours sincerely,

*N Rezai*
