

Dear Parents and Carers of Y6,

I hope you are all safe and well during these difficult times. I know you will be navigating the difficult decision of deciding which secondary school is best suited for your child next September. In order to support you with that decision, I would like to invite you to join our Virtual Opening Evening here at Park View next Thursday 8th October from 4.30pm. Below I have added a link to our current prospectus for you to read. I have also added a second link which will take you to our registration form, as you must register in advance to gain access to the event
