

TO DARE IS TO DO

Dear parent/carer,

Tottenham Hotspur are taking part in Planet Super League, an exciting football and sustainability project, and your child will be part of the team!

Children will take part in a weekly small change that can have a big impact on the environment.

Whilst doing this, you will be representing THFC in a league table of 24 professional football clubs for points and prizes. Can you help THFC win the league and lift the cup?!

The project is simple, we will ask you to register against your club visiting <http://psl.football>, register your details and select pre-populated dropdown list and prepare for the big kick off on Saturday 27th March.

There will be a large selection of fun activities online which are simple to complete at home and can be done flexibly around your lives to make this easy, enjoyable, and pressure-free for you and the family! The activities will help you save money, have fun as a family and be more sustainable, all whilst representing THFC.

The registration page is live from Monday 8th March, please sign up before the season kicks off on Saturday 27th March and be the leading family in your club's battle for the title!
