

Earlham Primary School Nursery Opening September 2021

Our brand new Nursery will be opening to children from September 2021.

This page will provide you with details of how to apply for a place.

Every parent and carer wants their choice of nursery to give their child the best possible start. Our purpose built Nursery aims to offer a safe and engaging environment where children are happy, confident and independent.

Our dedicated team of staff are committed to ensuring that every child will be supported to flourish as they take their first steps into their early learning journey.

We instil a love of learning through exciting and stimulating experiences that run through our indoor and outdoor provision.

Please explore the pages below to find out more.

Who can apply?

Places will be available for parents / carers with children born between 1st September 2017 and 31st August 2018.
