Nursery Admissions letter

Dear Parents and Carers,

Thank you for confirming your interest in our new school nursery which is due to open in September 2021.

We know that every parent and carer wants their choice of nursery to give their child the best possible beginning and value the importance of working in partnership with families to ensure that every child enjoys a special start to their school life.

Earlham is an inclusive and welcoming school and our dedicated team of staff are committed to ensuring that every child in our care will be supported to flourish as they take their first steps into their early learning journey.

We instil a love of learning through exciting and stimulating experiences that run through our indoor and outdoor provision and our new, purpose built nursery and extensive grounds will offer a safe and engaging environment where all children are happy, confident and independent.

I am pleased to confirm that we plan to offer places for 15 hour provision and 30 hour provision during term time. Information about the proposed nursery timings and admissions criteria is available via the following links.

In order to secure a place for your child, please complete the online application form as soon as possible and by **Monday 31st May at the latest**.

Ordinarily, we would be inviting you to come and look around our lovely school but regrettably, this is not currently possible due to the Covid-19 pandemic. In the meantime, please do take a look at our virtual tours of the school on our school website or email our school office on if you have any urgent questions.

We very much look forward to welcoming you and your child to our happy school community in the near future.

Yours sincerely,

N Rezai
