

Dear Parents/Carers

As you may be aware, from Summer Term 2021 the Department for Education is making Relationships and Health Education (Primary) and Relationships, Sex Education and Health Education (Secondary) compulsory in all schools. To ensure that we further promote the personal wellbeing and development of all pupils whilst meeting new statutory requirements we have worked hard to integrate any proposed changes in our RSE policy and curriculum content.

Our curriculum aim is to provide students with meaningful learning experiences that will equip them with the skills required to live healthy, safe, productive and fulfilled lives, both now and in the future.

To introduce parents to all proposed changes and ensure everyone is well informed we would like to invite you to read the following key documents:

- **Relationships and Sex Education Policy (Draft)**
 - **Appendix 1 : Christopher Winters Project Curriculum and year group schemes of work**
- **The Relationships Education, Relationships and Sex Education (RSE) and Health Education Statutory Guidance**
- **Understanding Relationships, Sex and Health Education at your Child's Secondary School: A Guide for parents.**

All these documents are available on our school website along with this letter.

The DfE has also created an RSE FAQs for Parents which can be found here

<https://www.gov.uk/government/news/relationships-education-relationships-and-sex-education-rse-and-health-education-faqs>

Our intention was to conduct the consultation in person and share key information face-to-face with parents and carers, which however in light of the Covid 19 pandemic needed to be postponed. Unfortunately, we are getting closer to the statutory deadline and this is still not going to be an option. We have therefore decided to conduct this parent consultation remotely. Your input and views are greatly valued and in order to provide your feedback to this consultation, we would like to ask you to complete the **RSE Parent Consultation Survey** by following the **RSE Parent Consultation Survey link** on our school website. Our RSE Parent Consultation will be concluding on **Friday 28th May**.

Your curriculum queries, opinions, and any contributions will enable us to further develop and shape our bespoke curriculum offer but will also enable us to continue to work in partnership to meet the needs of all children.

We look forward to receiving your feedback and would like to take this opportunity to thank you for your continued support.

Yours sincerely,

Ms Ansah, Ms Wills (PSHE leads) and Ms Stickland (Deputy Head Teacher)
